## Bedrock & Ice Age Geology

### Bedrock Geology

#### Formation (GNB Abbreviation) Age, Rock Type

- Ashburn Formation (ZASmb) Precambrian marble
- Fairville Granite (ZCFAfi) Precambrian intrusive rocks
- Spruce Lake Tonalite (ZCSPii) Precambrian intrusive rocks
- Taylor Island Formation (ZCTIvs) Precambrian volcanic rocks

- Morainal Surface Material (approximate)
- × Outcrop Point
- Outcrop Area
- - - - - Faults
- Water
